CITY GOVERNMENT - WHY?

There is a statement agreed upon and followed by most public officials, "Never 'take on' the local newspaper because they always have the last word." So what does publisher-editor George Vierhus do but give a City Manager the opportunity to have the "last word".

Campbell was incorporated in 1952 - Why? A simple answer might be that some community leaders and the majority of registered voters at an election wanted HOME RULE.

-0-

IT HAS TAKEN courage, good judgment, and patience on the part of many people since 1952 to create the "climate" of home pride and home self respect in which the principles of Home Rule flourish.

If we want home rule NOW then we must also want to solve our local problems. As a taxpaying citizen of Campbell, you should be aware of some of the City's major problems and then have the courage to express to one of your public officials how you believe they might best be resolved.

Your elected officials, and citizens who serve on Advisory Commissions, spend many hours without compensation wrestling with possible solutions to urban problems. It's a rough, hard, never ending job.

-0-

WHAT ARE SOME of the City's major problems? How can you, as an individual citizen, help to resolve them? Why should you make the effort?

Most of our urban problems are people problems. The proper location and design of streets in our City so people can travel within and without with some order, is one of our major problems.

Campbell is fast becoming the "hub" of a highly desirable living area of Santa Clara County. To ignore the problems associated with orderly traffic circulation is an invitation to the slow, but sure, strangulation of our City's current and future growth.

-0-

SECOND, we must improve and beautify our "front door" - Los Gatos Creek. No other single improvement to the City would have a more favorable effect upon the image most Santa Clara citizens have of Campbell, now bordering the Creek from Hamilton Ave. to the City's Southerly City limits.

Most of the land is already under public ownership. How then can these physical improvements be accomplished by the many tax agencies who have an interest in the land for only one other single purpose - i.e. flood

C. of C. launches membership drive

The Campbell Chamber of Commerce is on the move toward the highest membership registration the Chamber has ever had, announces President Richard Hardy. On Oct. 19 the Ambassador Committee will launch a One Day Membership Drive with a goal for the day of 50 new members.

The Committee, with the assistance of other members, will start the drive with a "Kick-Off Breakfast" at the Prelude Restaurant, followed by the contacting of over 300 business and professional men and women in the community.

According to Hardy, all predictions for Campbell's future indicate a continuation of the same rapid growth that has marked the community as one of the fastest growing in Santa Clara County. The population has now passed the 23,000 mark and this fabulous growth is bringing more new commercial, industrial and residential development to the area.

The Campbell Chamber of Commerce is the community's central agency for the orderly, prosperous development of business. Through the organization's efforts, members of the Chamber obtain many benefits, building the community's payroll and buying power.

Public hearing

Monday evening, the 8th of November, has been set by the Campbell City Council as the date for a public hearing concerning the formation of a local improvement district for Hamilton Ave. from the future San Tomas Expressway to Phoenix Drive.

The improvements on Hamilton Ave. from the Expressway to 280 feet east of Phoenix Drive will include base and pavement, construction of curbs, gutters and sidewalks; installation of sanitary sewer facilities to serve adjacent properties; installation of necessary storm facilities; installation of street lights and water mains.

The improvements, in the opinion of the Council, are of more than local or ordinary public benefit, and the costs are made chargeable upon an assessment district. The estimated cost of the project is $172,250.

City Manager to address Chamber of Commerce

City Manager Bob Stephens will present the program of the day at the Chamber of Commerce luncheon slated for Thursday noon, Oct. 14, at the Prelude, 1700 West Campbell Ave.

The program, "Your City and Its Future", expected to be one of the outstanding presentations of the year, will stress the importance of recognizing the need for improving downtown Campbell, the beautification of the Los Gatos Creek, and the orderly and continuous improvement of streets and traffic circulation. And finally, the importance of determining the highest and best use of land which comes under the jurisdiction of the City.

Stephens will augment his presentation

with a series of slides which will point out the programs on which the City Council and City Staff are currently working. Their will also be a discussion period, at which time Chamber members will have an opportunity to question the City Staff and Councilmen who will be present or to make any suggestions.

Local child recovers after blood donation

A nine-year-old Campbell miss is on the mend now, thanks to a brilliant surgeon and the generosity and thoughtfulness of more than a score of West Valley College students.

Last February tiny, fragile Collette Anderson, daughter of Mr. and Mrs. John W. Anderson of 3948 Bucknall Rd., was facing deadly serious, do-or-die surgery for a malfunctioning heart valve. She needed blood - pints and pints of blood--and a group of West Valley College students trouped in a body down to the blood bank and

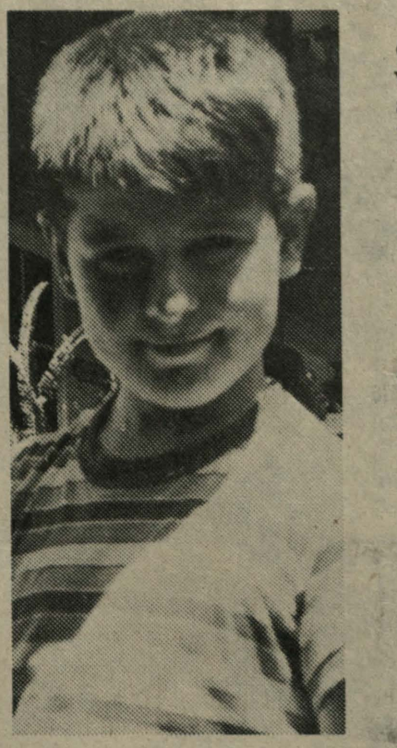
Campbell Boy takes a sentimental journey



STEPHEN ("Chip") BIANCHI

Guatamala, the "land of eternal spring" where they grow coffee and bananas high in the mountains was visited by a young lad from Campbell this summer.

Stephen "Chip" Bianchi, ten-year-old son of Mr. and Mrs. Edward Bianchi, 650 N. Central Ave. was the guest of his aunt and uncle at their plantation for three months. He came back with wonderful tales of wild parrots, turkeys and a pet frog. He also learned to speak Spanish like a native.

Chip is a fourth grader at the Castlemont School, but in Guatamala he "audited" the third grade. He was considered quite an oddity by the other youngsters, as he was the only one who could speak English.

Chip divided his time between the two plantations operated by his aunt and uncle, Bill and Conchita Bianchi, called "La Recompensa" and "Varsovia". He roamed the hillsides and enjoyed every colorful minute in this beautiful country.

The story behind Chip's visit to Guatamala goes back to his grandfather, who had been exiled from his homeland as a revolutionist. The elder Bianchi served as a diplomatic representative to Washington D. C. When the republic fell the family stayed in the United States and for ten years Dr. Bianchi practiced medicine in Ventura, Calif. He returned to Guatamala in 1933 during the regime of General Jorge Ubico. The rest of the family, two brothers and three sisters, still reside in Guatamala. Chip's father, Edward Bianchi, stayed in the United States to finish school. He is employed as a welder in Palo Alto.

So Chip's visit to the land of his ancestors was both a sentimental journey and a wonderful vacation.

Chip told The Press the Indians of Guatamala constitute the largest single element of the population, and steadfastly maintain the ancient customs of their Mayan ancestors.

Coffee is the chief commercial crop of Guatamala, to which 20 per cent of the land under cultivation is devoted. Bananas, sugar cane, corn and potatoes are also produced. Handicraft products are produced by the Indians.

with "Charlie" Gubser

This week's guest columnist is Miss Jean Herz, a recent Stanford graduate and Palo Alto resident, Miss Herz spent the summer as a Congressional Intern in my office and is now a regular member of my staff serving as a research assistant. C.S.G.

By Jean Herz

For the past three years, Stanford has been one among many colleges and universities which place students as summer interns in Congressional offices and government agencies. Officially titled "Stanford-In-Washington", the program was headed this past year by two law students, Bob Murphy and Jay Kittle, who with the help of many others enabled over seventy Stanford students to participate in the summer's activities in Washington.

Preparation is essential. One of the best ways is a daily scrutiny of several good newspapers. During spring quarter, the Stanford-In-Washington Committee arranged a series of Sunday seminars and several pertinent political science courses. In addition, I participated in an invaluable colloquium concerning "The Political Process in United States History" offered by Professor Otis Pease.

It was genuinely exciting to finally arrive in Washington and begin to view the proceedings of the political world close at hand. Textbook knowledge literally "came to life"--and in many cases proved totally irrelevant.

Intern positions vary greatly with each office. I feel very fortunate to have been with Congressman Gubser, who made certain that I became acquainted with the full range of "Hill" activities. I found myself attending committee meetings and watching proceedings on the Floor of the House of Representatives as well as typing letters and performing general office duties. I am still amazed by the variety and number of requests a Congressman is called upon to fulfill and the tremendous responsibilities of his job. I was most deeply impressed by what is actually the most obvious aspect of a Congressman's position: that of being the primary personal liaison between the constituent and a large, rather impersonal Government.

During the course of the summer there was a continuing program of speakers and events for all the interns, as well as that planned by the Stanford group itself. Two of the better features of the Stanford-In-Washington agenda were the breakfasts we had with California Democratic and Republican Members of Congress. The informal atmosphere was especially conducive to free and easy communication. Altogether, we had the opportunity to meet with many prominent public figures.

On the whole I believe the summer intern program to be a very valuable and rewarding one. For better or worse our national government plays an increasingly greater role in our everyday lives. It is therefore vital that citizens understand and be concerned about what our lawmakers do. The intern program insures just that. I know that more than a few talented students have been inspired to make politics their career. And all of us have certainly come away with knowledge and experiences which will make us more enlightened, responsible--and critical---citizens.

MORE ON SHOPPING CENTER

Dear Sir:

Wishing to thank The Press for keeping up with the acts and non-acts of the Campbell Council.

Especially the proposed Topaz builders for the San Tomas Shopping center, which was turned down, and for no apparent valid reason. Believe me the people of this area could not have been more surprised when they were denied having a choice to shop where they wish, and where it's convenient, also up to date building and shopping center one could point to and say, we live out here in the sticks but we have all the conveniences. We don't have to travel all over the county to get what we want to buy.

I was very disappointed that the Mayor Charles Rose voted against the proposal. I did expect Robert McElroy and Edward J. Rogers to vote against it, regardless, but not the Mayor.

I wish to express my appreciation to both Councilman William Smeed and Ralph Doetsch for trying to help the cause and the many people who were and are appealing to those who are in that office to act for the people, not against them, especially when they really don't know the real facts.

Actually Campbell would be ahead by allowing the shopping center to be built, not only taxwise, and harmony, but it takes cooperation for that, and if they have it turned into a multiple zoned area then we, the taxpayers will be the ones carrying the over-taxed load, as we are now paying to high a tax.

control, water conservation and transportation. You can be assured that this is one of the City's high priority objectives.

Effective and proper use of land in a City involves the complex problems associated with zoning. City officials are challenged almost weekly with zoning problems.

Will the requested new or re-use of real property in the City be in the best interest of the City and its citizens - not just for tomorrow, but in the forseeable future?

-0-

HOW CAN WE upgrade fairly, with the City's police power of zoning and code enforcement old and blighted areas in the City?

How can we insure open space in our Community?

How can we best resolve area-wide problems with other government jurisdictions in order to avoid duplication of effort and tax money and still retain our home rule concept?

-0-

HOW CAN WE establish reasonable controls and regulations with local laws which appear to be in the best interests of our City, and still encourage good private enterprise - not speculators - to invest money and locate their developments in our Community?

How can we find solutions to these, and many other day to day problems, in this complex urban society of ours?

-0-

FIRST, we must have community leaders who are interested and concerned with this community's welfare. Recognizing that no one person or group can be experts on everything, we must secondly have a competent and dedicated staff.

They have the job of doing the "digging" and the preparation of financial analysis - and statements of possible alternatives and consequences. Someone aptly said, "Good staff make it possible for the politicians to become statesmen."

The third and most important ingredient for this climate of home rule and self respect, is that we must have local person to person interest in the City's problems.

-0-

IF YOU ARE free from any City type problems, and your elected representatives and their appointed officials and employees appear tc be doing a good job - why should you become concerned at all?

The rewards of becoming active in your local government are real, but intangible. --

-0-

THE OPPORTUNITY to shape the future for tomorrow's citizen!--

The possibility you might hasten achievements which might otherwise be delayed. -

The knowledge that you have helped to preserve and hand on to your children, and their children, the dignity and integrity of representative government--and one of its basic objectives -HOME RULE.

News from Copenhagen

European travel notes

By George Vierhus

(continued from last week)

The next day's highlight was watching the changing of the guard at noon at Amalienborg Palace, the King's residence. Following this colorful ceremony, to which we rode on a trolley, we leisurely sauntered to Rosenborg Castle, created by King Christian IV who gave the city many buildings and treasures This palace contains the chronological collection of the Danish kings, including the crown jewels. It was history passing in review as we went from room to room.

Copenhagen is easy to get around in, by bus, by train, by trolley, by foot, by bike for by taxi Taxi fares are reasonable and by the end of the first day we had moved via that method five different times.

Two of the taxis were Mercedes. Others were Opel, Chevelle, and Toyoto.

American made cars are in the minority in this city. We didn't realize that there were so many foreign cars on the market. The names of many of them, not being a car buff, were totally unfamiliar.

It will be sort of sad to leave this delightful city, where the people are so happy and friendly. We also have had our first experience in sleeping under the "dyne," a sack made of sheets and filled with feathers. The "dyne" replaces blankets and it takes a while to master the fine art of temperature control and which part of one's anatomy should be out or under.

Mastering the monetary exchange has proved quite complicated for us, although we will probably get the hang of it just in time to get involved with the German system. Fortunately, there are a couple of others in our party who are sharper than we are in this field.

But we do have one loan criticism of this charming, wonderful and ancient city of Copenhagen.

No one seems to know how the Dodgers and Giants are doing and they seem to care less.

Tomorrow off to Berlin.

Letters to the Editor

Dear Sir:

Thank you for allowing the people of the San Tomas area to express their views in your letters to the Editor column on the issue of a Topaz Shopping Center at the corner of Hacienda and San Tomas. It was indeed a shock to hear that our Mayor Charles Rose who surely should have the interests of the people at heart had voted against the proposal to erect a one stop shopping center for our community. There is a crying need for such a shopping center in our area.

May we thank Councilmen William S. Smeed and Ralph Doetsch for taking a stand with us on this issue. We greatly appreciate their endeavors to upgrade our community. On the other hand, we consider it very selfish for certain influential people to oppose something so worth while on the assumption that the erection of a shopping center would bring too much undue competition to their own interests. Let them pay more attention to the people who support them in their business and in their office.

Sincerely yours,
Roy E. Wicht

deposited 25 pints to her credit.

Several times the surgery was delayed, largely because of the little girl's physical condition. Finally, on Aug. 3, the surgeons decided to go ahead. For six-and-a-half hours they labored over the tiny body. Fifteen pints of the precious blood were used. The surgery was a success.

Collette can play now, almost like any other child. For a while though, bicycle-riding and other exertions which might tend to increase blood pressure must be limited.

Collette may face more, but less serious surgery, but she isn't worrying. Her parents are extremely grateful to the West Valley students.

Air Force couple make first home in San Antonio

A home in San Antonio, Texas, is being established by newly-weds, Mr. and Mrs. Douglas MacArthur Smith who were married at an evening ceremony at the Saratoga Federated Church recently. The bride is the former Jeannie Margaret van Rossem.

For the nuptials, the petite bride was attired in a Chantilly lace gown, designed with a portrait neckline and a chapel length train. She carried a bouquet of white orchids and chrysanthemums. A pillbox headpiece held her fingertip veil in place.

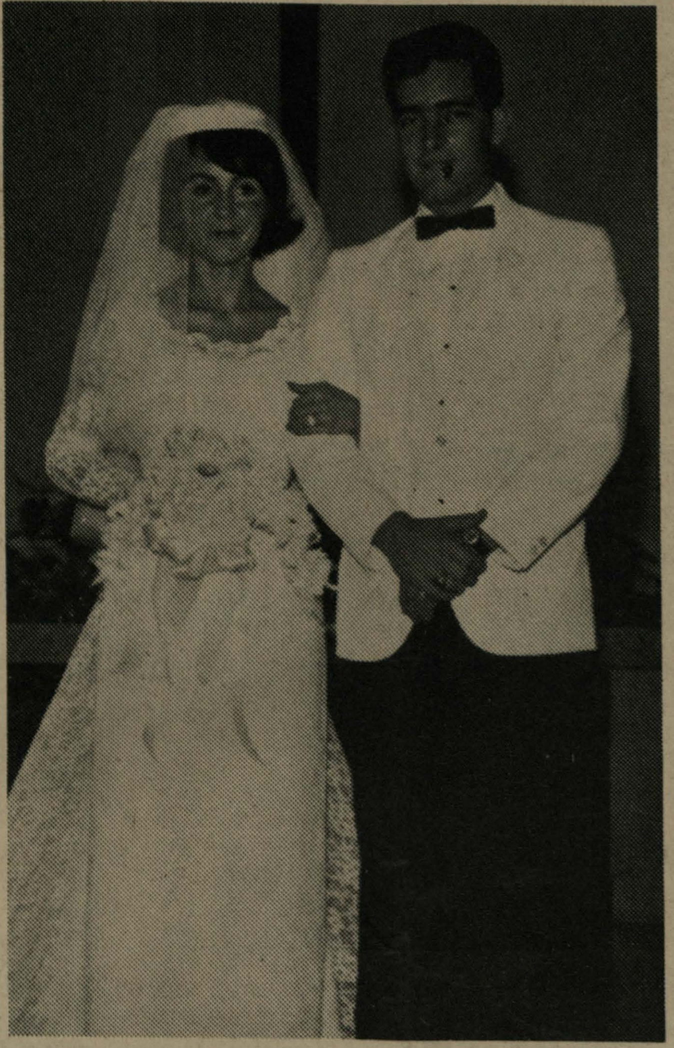
Mrs. Richard van Rossem, sister-in-law of the bride, was the matron of honor. Bridesmaids were Miss Karen Cook of San Jose, Miss Carole Guio and Miss Christine Kahrmann of Campbell. The bridal attendants wore floor length sheath gowns of lavender chiffon with long sleeves and bateau neckline. They carried bouquets of lavender chrysanthemums.

The best man was Richard van Rossem, brother of the bride, and the ushers were Thomas van Rossem, Saratoga; Gary Murphy of San Jose, and Rod MacDonald of Pacifica, cousin of the bride. Steven van Rossem was the ring-bearer.

Following the ceremony, a reception for 100 guests was held in the Fireside Room of the Church.

The bride is the daughter of Mr. and Mrs. Donald van Rossem of Verda Vista Lane. She is a graduate of Campbell High School and is now in the Air Force, stationed at Lackland Air Force Base, Texas.

The groom is the son of Mr. and Mrs. Robert R. Smith of Blacksburg, Virginia. He is a graduate of Blacksburg High School and is also stationed at Lackland AFB, Texas, with the United States Air Force. After honeymooning at Lake Tahoe and Virginia, the young couple are now settled in San Antonio, Texas.



MR. AND MRS. DOUGLAS MacARTHUR SMITH
(JEANNIE VAN ROSSEM)

Mrs. James Pluth first president of Jaycettes

A new women's service club has been added to the Campbell roster with the announcement of the formation of the Campbell Jaycettes, auxiliary to the Campbell Junior Chamber of Commerce.

Installation of officers was held at the International Smorgas with Al Hansen, president of the Jaycees as the installing officer. Mrs. James Pluth was installed president; Mrs. Jerry Duncan, vice president and Mrs. Alan Murray, treasurer/secretary.

The following standing committee chairmen were also appointed: Mrs. Verle Weitzel, parliamentarian; Mrs. Robert Dalzell, cheer-up; Mrs. John Smurthwaite, Scotsman; and Mrs. Melvin Lindstrom, publicity.

A Hallowe'en Dance is the social function planned for October. The affair will be held at the Campbell Country Woman's Club on Oct. 30. The two groups, the Jaycees and the Jaycettes, are competing against each other in a candy selling campaign to raise funds for a community project. Anyone wishing to purchase Hallowe'en candy from the Jaycette's is invited to call Mrs. Melvin Lindstrom at 378-5877.

Mrs. Neil Huwatschek is chairman of the group's Christmas project; a tour of the valley's Christmas decorations for patients of a convalescent hospital.

AVOID DAMAGE FROM BEVERAGE STAINS
by John D. Cooper

Many, many people saw the New Year in right this year. "Should auld acquaintance be forgot . . . " Great tune, great tune . . .

But Today is Today. And an evening's celebration is usually accompanied by the BEVERAGE STAIN on clothing.

Look 'em over right now - and

BRING ALL STAINED GARMENTS FOR CLEANING RIGHT AWAY

In about 8 out of 10 cases, stains on party clothes are usually from beverages containing alcohol. Alcohol is a "semi-dry" liquid. Very volatile. In addition, most dyes are soluble to a lesser or greater degree in alcohol. To further complicate the problem of these stains are the sugars, acids, colorings and other flavorings contained in beverages

Which simply means that alcohol tends to loosen or destroy dyes

So the sooner you bring those garments in, the less risk you take of damaging them beyond repair or restoration.

Whatever your cleaning, you can be sure it will done better when you

Campbell's B team rolls over Los Gatos 34 to 0

by Harvey Henselman

Campbell's hot Soph-Frosh Football Team, sparked by the running of Randy Fujisin and the passing of quarterback Chuck Hawthorne, rolled over a weak Los Gatos team by a score of 34-0.

Campbell's star running back, Randy Fujisin, scored four of Campbell's five touchdowns. The only other touchdown of the game was scored by Stan Hedegard, on a pitch-out. Both Stan and Randy have been a great help to the Campbell team this year.

The keys to Campbell's success have been fine down-field blocking, a great defense, and a hard running backfield that doesn't give up.

Up to this time, Campbell hasn't any real competition on the scoreboard.

But this week, Campbell plays Leigh. Says Coach Huntze, "Leigh and Camden will be the toughest teams to beat."

The boys are keyed up about this game. Says star wingback Greg Reid, "We have to have some competition."

The game will be held at Leigh this week. It promises to be one of the best Soph-Frosh games of the season. We urge all people who want to see a ballgame to come this week.

Vikes pinch panthers 15-6

A stiff defense and a fine ground attack brought West Valley a 15-6 victory over favored Hartnell Saturday night at Buck Shaw Stadium.

A powerful Hartnell squad, who had averaged 33 points per game going into the contest, were completely throttled by a spirited Viking defense. Their loan score came in the second quarter and was greatly aided by a Vike penalty.

Viking quarterback Larry Daniels, making his first start of the season, kept the Vikes moving, completing four out of nine passes for 78 yards and rushing for 95 yards.

The Vikes scored first quarter as Daniels hit paydirt from nine yards out. George Delgado booted the extra point.

Early in the fourth quarter Jim Starkey blocked a Hartnell punt and Bob Hewitt scooped it up and ran in for the score. Tom Gibbons ran over for two points to lock it up for the Vikes.

Now 1-0 in conference play, the Vikings look hopefully toward their next league game against Menlo on October 22.

Del Mar High

"Del Mar Panorama" will be the theme of the opening meeting of the 1965-6 school year for Del Mar High School's Parent-Teacher unit, tonight, Wednesday, at 8 p.m. in the school cafetorium.

To present a wide-view picture of the school, teachers, students and administrators will join ranks in a panel discussion and question period, which will attempt to portray the school as seen from several viewpoints. Greeting the assemblage of students, parents, and community-concerned citizens will be Mrs. David (Jean) Schrader, unit president at Del Mar.

Refreshments will be served after the meeting.

PTA has provided scholarships to graduating seniors, financial aid for purchase of the school's public address system, contributions to the Del Mar yearbook, graduation reception, and many other projects.

COMING TO CARNIVAL - Hocus Pocus from Television Channel 11 will be giving a live performance every half hour at the Cambrian Home and School Club's "Carnival '65" on Friday evening, Oct. 15 at the Cambrian School.

Cambrian carnival will have fun for every one

Cambrian Home & School Club's event of the year will be "Carnival '65" to be held Friday night, Oct. 15, from 5 p.m. to 9:30 p.m. in the school auditorium. Hocus Pocus from Channel 11 will be there in person giving a performance every half hour, starting at 6 p.m. in the Kindergarten Room.

Many booths for every age will be featured. Children will be able to "Pick the Pockets" of the teachers, Mrs Erma Milburn and Mrs. Aileen Miner. Two Cake Walks are the project of several classes with the assistance of Mmes. Dorothy Jenner, Betty Arends, Mildred Graves, Martha Maurer, Cynthia Weir, Kindergarten teachers Mmes. Mary Bell Lacy and Hettie Lou Downing. Mrs. McGuire's second graders will be able to "Ring the Clown" with the help of Mmes. Blanche Hosfeldt, and Bettye Huhnke.

Mrs. Shirley Sliter will be giving prizes to those who spin the Wheel of Fortune. Young fishermen will not need their rods when they go fishing with teacher Mrs. Shirley Morgan to catch goldfish. Other favorites such as, Pitch a Plate, Bowling, and Hoopla promise to make the evening a huge success. A variety of snack bar foods will be available throughout the evening.

The chairman for "Carnival '65" is Reese Parker with co-chairman Richard Galletta. Mmes. Mary E. Borchers, Millie Gault, Nancy Swenson, and Anita O'Neil are just a few of the board members who made this event possible.

Principal Harold Ely and President of the H&S Club, Mr. Robert Hands, extend a cordial invitation to everyone for an evening of fun.

The Cambrian Elementary School is located on the corner of Bascom and Casey in Campbell.

BLACKFORD BEAT

BY DIANE GIPSON CAROL COOK

We had our fall semester elections this week at Blackford. The officers elected will hold office until the spring semester.

Gary Cushing was elected president of the senior class; vice president, Ed Davis; secretary, Karen Targantos; Treasurer, Rick Hanson.

The junior class voted Mark Chiaravalle into office as president; Steve Clark, vice president; Chris Yoshihara, secretary; and Ellen Roemmele as treasurer.

The sophomore class went all out on girls this year with Kortney Wall, president; Pat Fenton, vice president; Brenda Bennett, secretary, and Carol Satariano, treasurer.

Most often the freshmen are very reluctant to run for office, but this year 21 freshmen turned in petitions making them eligible for office. Unfortunately only four could be elected, and those four were Dale Yoshihara, president; Cheri Hankins, vice president; Dianne Mietzel, secretary; and Sue Nystrom, treasurer.

A new club was organized at Blackford this week. It is the "Pep Club". This club is dedicated primarily to the promotion of spirit.

The first C.S.F. (California Scholarship Federation) meeting was held last Thursday, and officers were elected.

Also on Thursday of that week our Frosh/Soph team played Saratoga on Blackford soil. Our team was defeated by the Falcons, 20-6.

The "Sadie Hawkins Day" dance will be held this Friday in the Blackford Cafetorium. On this occasion it is the part of the girl to invite the boy to the dance and pick him up and take him home. It's going to be a lot of fun, so gals get out and get your guy.

Before the dance, our Varsity team will play Del Mar at Blackford. The Spirit Commission, Pep Club, and Ourselves hope to see you all there.

Don's Dateline

by Carole Clark

The class elections were held Thursday Sept. 30. The winners are: seniors, Tom Cain--president; Ken Martin--vice president; Randy Buchanan--treasurer; Karen Akers--secretary. Juniors Scott Thibodo--president; Jon Poytress--vice president; Rick Gire--treasurer; Kris Kage--secretary. Sophomores: Russ Martin--president; Jean Rose--vice president; Debbie Claire--dent, Debbie Claire--treasurer; Jean Carbone--secretary. Freshmen: Bill Rickers--president; Mark Kovaleski--vice president; Sandi Vierra--treasurer, Jeri Royer--secretary.

The Senior class of '66 will present "Tea House of the August Moon," on November 18 and 19 The leading roles are Judy Finch as Lotus Blossom, Stan Poytress as Sakani, Terry Stanley as Col. Puroy III and Richard Lohsen as Captain Fisby.

At the first senior meeting of the year Julius Langlo, senior counselor, and George Miskulin, principal, spoke to the largest senior class so far at Del Mar. They briefed them on the college entrance requirements. This year Del Mar will have a senior cabinet consisting of one representative from each American and Comparitive Government class and the senior class officers.

The committee on open campus has been meeting with Mr. Miskulin and has finally secured an open campus.

Campus has been closed since last year, because of extensive littering off campus. It has not been decided when campus will be opened as of yet. A meeting will be held to set up a "police patrol" consisting of three seniors and two juniors, who will check the litter problem. Freshmen will not be allowed off campus privileges.

WHAT HAPPENED TO GOLDWATER

by Stephen Shadegg

The inside story of the 1964 Republican Campaign. The Goldwater rocket, fueled with such high resolve in San Francisco, fizzled on its launching pad. Long before the ballots were all counted the questions were being asked. What happened? Stephen Shadegg is the only person who could have written this revealing explosive account of the rise and fall of Barry Goldwater As the Senator's political manager from 1952 to 1962, he directed both successful campaigns for the U. S. Senate and helped Goldwater become a national political figure. Interesting reading!

United Fund Chairmen named

Two "seasoned" United Fund volunteers are working in Campbell during this year's appeal. Dr. Frederick R. Schlichting, obstetrician, is in charge of the Campbell professional division and Mrs. Helen Andres, assistant superintendent of Campbell High School Distric, is the city schools chairman.

"This is Dr. Schlichting's third consecutive year as Campbell's professional chairman," says Ledger A. Myers, Campbell campaign chairman and administrative assistant at IBM Corp Supplies Division. "Mrs. Andres has been active in community-wide drives in our area for the past 17 years," Myers notes.

Both chairmen, with the help of volunteers, will be contacting those working within their divisions for donations. Under the unique United Fund plan, one may give where he works and have the money returned to the area where he lives to support the agencies there.

Mrs. Andres is a board member of the Community Council and past president of the Visiting Nurse Association board. She and her husband Eugen live at 364 Flamingo Dr. They have three children--Vivienne, Eugen, and Federick.

Dr. Schlichting and his wife Muriel live at 1085 Mitchel Ct. in San 1085 Mitchell Ct. in San Jose. They have six children--Anne, 10; Clare, 9; Fritz, 7; Mary, 5; Joan, 4; and John, 3.

GI's offered life insurance

Automatic life insurance coverage of $10, 00(is provided for Americance coverage of $10, 000 is provided for American military personnel the world over under a Government insurance program placed into effect recently.

The President signed the new insurance program into law (Public Law 89-214) Sept. 30.

All servicemen will be covered by the new $10, 000 group insurance even though they already hold GI insurance from World War I, World War II, or the Korean Conflict unless they indicate in writing that they do not want the new insurance coverage.

A stipulated amount, estimated in advance to be approximately $2 per month for $10, 000 of coverage, will be deducted from each serviceman's pay, unless he submits written refusal of the coverage.

The low cost is made possible through Government contribution of the amount necessary to cover any excess mortality owing to extra hazards of service.

These deductions will cease after the individual's last full month of service, but the insurance will continue for 120 days after separation.

Rev. Olmstead to address church group

The regular monthly luncheon meeting of the Woman's Society for Christian Service will be held on Thursday, Oct. 14, at First Methodist Church of Campbell. "Positive Action In The Inner City" will be the theme of the talk by Rev. Robert Olmstead, who is pastor of an integrated church in Oakland. Honored at the meeting will be members of the Ann Deavours Circle, named after a missionary serving in Mexico.

Meditation will be at 9:30 a.m. in the Chapel; with the business meeting, worship service, and program in the Fireside Room, beginning at 10 a.m. Luncheon will be served by the Esther Laird Circle with Mrs. George McCarthy in charge.

Governor declares Oct 10-16 as Newspaper Week

Governor Edmund G. Brown has declared October 10-16 National Newspaper Week in California as "a tribute to one of the vital forces in our democratic way of life."

The governor said that "the free press is the heart and center of American life" and that newspapers provide "that most vital of all products--news, honestly and objectively reported."

Simultaneously with the Governor's announcement a new organization--the Santa Clara County High School Journalism Association--designed to foster journalism in secondary schools in this area, will hold its first meeting October 13 at the San Jose City College Student Union.

Palmer said invitations for the meeting have been sent out to all the area high school journalism instructors. Future meetings, he said, will feature discussions, workshops, writing competitions and guest speaking appearances by professional journalists.

WV trustees seek funds for campus

The West Valley College Board of Trustees, at a special meeting recently authorized applications for funds to complete purchase of the Saratoga campus site and to commence construction of one of its buildings.

The trustees acted under provisions of Senate Bill 318, enacted by the 1965 legislature.

It calls for applications to be submitted before Oct. 1 for campus construction projects to be funded under combined state and local financing.

The college's 1965-66 entitlement, under terms of the measure, would be $2,257,874, of which the state's share would be $1,411,171 and the district share $846,703. The trustees have proposed to use the first entitlement funds to complete purchase of the Saratoga site (of which about one-fourth has already been purchased), complete final plans for the Engineering-Technology and Science and Mathematics buildings, finance various site development, planning and utility costs, and purchase equipment for the Engineering Technology building.

Sidewalk art fair

Merchants of Kirkwood Plaza are sponsoring the first "Sidewalk Art Fair" of the Campbell Artist's Guild Thursday, Friday and Saturday, October 21, 22 and 23 at Kirkwood Plaza Shopping Center, Campbell Avenue at San Tomas.

Besides a general exhibit of members' paintings, there will be pictures and art works for sale as well as "Art in Action" demonstrations throughout the three day show. There will be free drawings for paintings.

The Campbell Artists Guild, composed of professionals as well as amateur artists was organized in March of this year. The Guild exhibited for the first time at Valley Fair Art Show and since then has had a Juried Exhibit of paintings at the Fellowship Gallery in Los Gatos. Another juried show will be held at the Art Gallery on Brace St. the first two weeks of November.

Meetings of the Guild are held on the 2nd Thursday of each month and meets in the Adult Education Building at 1945 Winchester Blvd, Campbell at 7:30 P. M. Interested persons are invited to attend or they may call the club secretary, Mrs. Bertha McKay, 378-8040 for further information.

Foreign service exams Dec. 4

Congressman Charles S. Gubser has announced that written examinations for employment with the United States Foreign Service will be held on December 4.

Junior Foreign Service Officers are selected by an annual series of examinations. The selection process is in four stages: (1) the written examination, (2) the oral examination, (3) medical and background examinations, (4) training and probationary service.

Applicants who will be twenty-one or under thirty-one years of age as of December 4 and who have been citizens of the United States at least seven and one-half years on that date, are eligible to take the examination. Requests for application forms should be made to the Board of Examiners for the Foreign Service, Department of State, Washington, D. C., 20520.

Congressman Gubser also can supply application forms and booklets with sample questions of the type used in the examination and will be glad to send them to interested young men and women in the Tenth Congressional District.

Completed application forms for the December 4 examination must be postmarked not later than October 18, 1965.

"Besides candidates educated in the traditional Foreign Service fields of political science, history, government, and the liberal arts, the Foreign Service needs those trained in such specialties as budget and fiscal work, management, labor relations, law, banking and finance, foreign trade, and other facets of economics and administration," Gubser said.

Women of Moose

The Women of the Moose meet the second and fourth Wednesday of each month at 8 p.m. at Sunnyvale. The next meeting will be tonight, Oct. 13, with the theme "Christmas in October." Mrs. Helen Hardeman, former Deputy Grand Regent of California, will be the honored guest. Sr. Regent, Mrs. Frances Wagner, will preside as chairman of the evening.

Unique services at local church

An unusual series of evangelistic services is to be held October 17 through 20 at the First Baptist Church of Campbell. Classical pianist and evangelist Laurie Forbes Taylor will present sermons and stories out of his personal experience of more than 40 years of world travel in Christian service.

He will also present a program of outstanding piano music including the masters and his own arrangements of sacred songs. A color movie of Bible lands showing the footsteps of Jesus will be shown. Taylor will begin his four day engagement Sunday morning, the 17th, at 11 a.m. services. The remaining meetings will be held at 7:30 p.m. Sunday through Wednesday.

A cordial invitation is given by the pastor Harry M. Liechty, Jr. to attend these services. The church is located on Llewellyn Avenue just off of Hamilton Avenue and west of Winchester Road.

UNITED NATIONS OBSERVANCE

The Baha'is of Campbell is co-hosting a United Nations Day observance featuring an evening of entertainment.

The program, entitled "A Musical Salute to the United Nations," will be held Friday evening, October 15 at 8:00 P. M. in the Hospitality Room of the First National bank at 308 North Santa Cruz Avenue in Los Gatos.

BLENDING BEAUTY - Mrs. Marge Stokes (left) and Mrs. Lura Smith will demonstrate a variety of flower arrangements at Breuner's Wayside Store staff room on Thursday, Friday and Saturday, Oct. 14, 15 and 16 in conjunction with the Flower Show to be presented by the Campbell Garden Club. The public is invited to participate. (see article)

You're invited to flower show

Blending Beauty, Flowers, Fabrics and Furnishings is the theme of the Flower show to be presented Oct. 14, 15 and 16 at Breuner's Wayside Store, 525 E. Hamilton Ave.

Deadline for entries is between 6 and 9 p.m. on Oct. 13. A small donation is being asked for the demonstrations which will be held in Breuner's Staff Room.

Mrs. R. C. Falconi is Flower Show chairman, assisted by Mrs. E. R. Miller. Demonstrations will be given by Mrs. Lee Aversente on Thursday at 2 p.m. and Mrs. Muriel Martin at 3 p.m. Friday demonstrators will be Mrs. Marge Stokes at 2 p.m. and Mrs. Lura Smith at 3:30 p.m. Mrs. Vivian Moody will demonstrate flower arrangements on Saturday at 2:30 p.m. For further information contact Mrs. Hazel Falconi at 378-2598.

LEGAL NOTICE

NOTICE INVITING SEALED PROPOSALS OR BIDS

HAMILTON AVENUE (FROM THE FUTURE SAN TOMAS AQUINO EXPRESSWAY TO 280 FEET EAST OF THE CENTER OF PHOENIX DRIVE)

LOCAL IMPROVEMENT DISTRICT NO. 12

Pursuant to the Municipal Improvement Act of 1913, and the resolution directing this notice adopted on September 27, 1965, by the City Council of the City of Campbell, said Council invites sealed proposals or bids for the construction of pavement, curbs, gutters, sidewalks, sanitary sewer facilities, storm sewer facilities, street lights, water mains and appurtenances as more particularly described in Resolution of Intention No. 1849 adopted by said Council on March 22, 1965, which resolution is on file in the office of the City Clerk and to which reference is hereby expressly made for a more particular description of the work to be done.

All of said work is to be done at the places and in the particular locations, of the forms, sizes and dimensions and of the materials, and to the lines and grades and at the elevations as shown and delineated upon the plans, profiles and specifications made therefor and preliminarily approved by said Council on September 27, 1965.

Payments will be made in cash by said City to the Contractor in accordance with the provisions of the specifications and on itemized estimates duly certified and approved by the Engineer of Work submitted in accordance therewith, based on labor and materials incorporated into said work during the preceding month by the Contractor. However, notice is given that a period of 30 days is given to the property owners in which to pay their assessments, and if cash collections are insufficient to meet such monthly estimates, there will be a delay in making such payments until money is received from the sale of bonds issued upon the unpaid assessments.

Notice is hereby given that on September 27, 1965, the Council adopted a resolution determining the general prevailing rate of per diem wages to be paid to the various craftsmen and laborers required to construct said improvements, a copy of which wage scale is contained in and made a part of the specifications, and is attached hereto, for said work, to which reference is hereby made for further particulars.

All proposals or bids shall be accompanied by a cashier's or certified check payable to the order of the City, amounting to ten per cent (10%) of the bid, or by a bond in said amount and payable to said City signed by the bidder and a corporate surety, or by the bidder and two sureties who shall justify before any officer competent to administer an oath, in double said amount and over and above all statutory exemptions. Said check shall be forfeited or said bond shall become payable to said City in case the bidder depositing the same does not, within 15 days after written notice that the contract has been awarded to him, enter into a contract with the City.

Contractor shall furnish to City a faithful performance bond and labor and material bond as required in said specifications.

Said sealed proposals shall be delivered to the City Clerk of said City on or before 2:00 o'clock P. M. of the 29th day of October, 1965, City Hall, Campbell, California, said time being at least fourteen days from the time of publication of this notice. Bids will be publicly opened, examined and declared on said day and hour. Said bids will be referred to and considered by the Council at its meeting at 8:00 o'clock P. M. on the 8th day of November, 1965.

A copy of the plans and specifications may be obtained from the office of the City Engineer, City Hall, Campbell, California, upon deposit therefor of $15.00, which will be refunded if said plans and specifications are returned within ten days.

Dated: September 27, 1965
DOROTHY TREVETHAN
City Clerk of the City of Campbell

NOTICE OF IMPROVEMENT

HAMILTON AVENUE (FROM THE FUTURE SAN TOMAS AQUINO EXPRESSWAY TO 280 FEET EAST OF THE CENTER OF PHOENIX DRIVE)

LOCAL IMPROVEMENT DISTRICT NO. 12

NOTICE IS HEREBY GIVEN that on the 22nd day of March, 1965, the City Council of the City of Campbell, California, adopted its Resolution of Intention No. 1849 wherein it did declare that in its opinion the public interest and convenience required, and that it was the intention of said Council to order the following improvements in and for said City, to-wit:

(a) The improvement of Hamilton Avenue from the proposed San Tomas Aquino Expressway to 280 feet east of Phoenix Drive by the construction of improvements consisting of base and pavement, construction of curbs, gutters and necessary sidewalks; installation of sanitary sewer facilities to serve adjacent properties; installation of necessary storm facilities; installation of street lights; installation of necessary water mains and appurtenances.

(b) The performance of all work auxiliary to any of the above which may be necessary to complete the same.

All of said work and improvements are to be constructed at the places and in the particular locations, of the forms, sizes, dimensions and materials, and at the lines, grades and elevations shown and delineated on the plans, profiles and specifications preliminarily approved therefor by the City Council of said City and on file for public inspection in the office of the City Clerk.

Notice is hereby given of the fact that in many cases said work and improvements will bring the finished surface of the ground to a grade different from the surface as it now exists, and that to said extent said grades will be changed and that said work will be done to said changed grades.

Said contemplated improvements, in the opinion of said Council, are of more than local or ordinary public benefit, and the costs and expenses thereof are made chargeable upon an assessment district, the exterior boundaries of which district are the composite and consolidated area as more particularly shown on a map thereof on file in the office of the City Clerk, to which reference is hereby made for further particulars. Said map indicates by a boundary line the extent of the territory included in the proposed district and shall govern for all details as to the extent of the assessment district;

The estimated cost of said project is $172,250.00.

Notice is hereby given that serial bonds to represent unpaid assessments and bear interest at the rate of not to exceed six per cent (6%) per annum, will be issued hereunder in the manner provided in the Improvement Bond Act of 1915 (Division 10 of the Streets and Highways Code), the last installment of which bonds shall mature not to exceed fourteen (14) years from the second day of July next succeeding ten months from their date.

The descriptions of the improvements and the termini of the work contained in the Resolution of Intention are general in nature. All items of work do not necessarily extend for the full length of the description thereof. The plans and profiles of the work, as contained in the Engineer's report, shall be controlling as to the correct and detailed description thereof.

Except as herein otherwise provided for the issuance of bonds, said work shall be done pursuant to the Municipal Improvement Act of 1913.

Reference is hereby made to proceedings had pursuant to Division 4 of the Streets and Highways Code, all on file in the office of the City Clerk.

Notice is further given that the Engineer of Work pursuant to said Act and said Resolution of Intention, adopted pursuant thereto, did on the 27th day of September, 1965, file with the City Clerk of said City his report in writing on said improvements, consisting of plans, profiles, specifications, estimate of costs and incidental expenses, diagram and assessment, and said City did on said date consider and examine said report and by resolution preliminarily approved and confirmed same and ordered that said report shall stand as the report for the purposes of all subsequent proceedings had pursuant to said Resolution of Intention.

NOTICE IS FURTHER GIVEN that Monday, the 8th day of November, 1965, at the hour of 8:00 o'clock P. M. of said day, in the regular meeting place of said Council, Council Chambers, City Hall, Campbell, California, are the time and place appointed and fixed by said Council when and where it will consider and finally determine whether the public interest and convenience require said improvements, and when it will consider and determine whether the owners of a majority of the area of the property in the proposed assessment district have protested against said improvements or any portion thereof, and when and where it will consider and finally act upon the Engineer's report filed pursuant to said Resolution of Intention, and when and where it will hear all protests in relation to said proposed improvements, or to the grades at which said work will be done, or the extent of the assessment district, or to the Engineer's estimate of the costs and expenses thereof, or to the proposed diagram and assessment and that any person interested may file a written protest with the City Clerk at or before the time set for the hearing referred to herein.

Reference is hereby made to said Resolution of Intention and said report, including plans, profiles, specifications, estimate of costs, diagram and assessment for a more particular description of said improvements to be had and done, and for further particulars, all on file in the office of the City Clerk.

Dated: September 27, 1965.
